

# Canopy 2ft Extension

## Instructions

Part #: 1006450 - Canopy 2' Extension Pair 108  
1023720 - Canopy 2' Extension Pair 120

Failure to follow instructions may result in personal injury and may invalidate the applicable warranty.

Step 1. Slide 2' Canopy Extension into the ends of the tubes.

Step 2. Fasten two 5/16" x 2 1/2" hex bolts, washers and hex nuts through the top holes on extension frames.

Step 3. Slide Canopy end into ends of the 2' extension frames.

Step 4. Finish the installation of the canopy as instructed from Canopy Instructions.
